

MARSDEN MARINE

SUPPLIES

Welcome to Marsden Marine Supplies - your locally owned marine chandlery shop based at the Marsden Cove Marina next to the petrol pumps.

We're open 7 days a week and offer a wide range of marine products, rope splicing, hire equipment, scaffolding, sanders, polishers and scissor lifts for the DIY boatie. Our friendly, experienced and knowledgeable staff can help you out with advice and supplies for almost any project you want to tackle yourself, or we have the contacts to arrange local maintenance, repairs, welding & outboard servicing on your behalf.

If you want to have a look around Marsden Cove or maybe pop into Whangarei for supplies, we can even sort you out with a rental car. We live locally and are available after hours if you need us.

Follow us on our facebook page www.facebook.com/marsdenmarinesuppliesltd or phone Paul on 094370661 or 0275223766
